Website Operator and Responsibility

ZeeQuest.com is the corporate website of the ZeeQuest technology ecosystem. The website presents information concerning ZeeQuest, its activities, technology ventures, research, community, partnerships and business-development initiatives.

For European-facing website operations and where expressly identified in the applicable legal documentation, ZEEQUEST,INC. d.o.o., Slovenia, acts as the relevant European operating entity. ZeeQuest Inc., Delaware, serves as the global headquarters entity. The specific contracting party, data controller or provider for an individual product, service, transaction or program may differ and will be identified in the applicable specific terms, privacy notice, order documentation or agreement.

Management / Responsible Person

Founder & Chief Executive Officer: Gregor Brajović

Responsible for corporate website content: ZeeQuest management, subject to applicable law.

Customer / platform support: support@zeequest.com

Website: zeequest.com

For privacy and data-protection requests, use the contact stated in the current ZeeQuest Privacy Policy / GDPR Notice.

Intellectual Property

Unless otherwise stated, the ZeeQuest name, branding, website design, text, graphics, software-related materials and other content made available through ZeeQuest.com are owned by, licensed to, or otherwise lawfully used by the relevant ZeeQuest entity or rights holder. No licence or right to use trademarks, logos, proprietary technology, copyrighted materials or other intellectual property is granted merely by accessing the website.

Third-party trademarks, logos, company names and other rights remain the property of their respective owners. Their appearance on the website does not imply endorsement, ownership or affiliation beyond the relationship expressly described.

Information and No Professional Advice

Information published on ZeeQuest.com is provided for general corporate, informational and business-development purposes. Unless expressly stated in a definitive agreement or regulated offering document, website content does not constitute legal, tax, financial, investment, medical or other professional advice.

Investment / Opportunity Disclaimer

References to ventures, technologies, partnerships, licensing opportunities, investment-related activities, crowdfunding or future business opportunities are informational unless expressly stated otherwise. Nothing on the general ZeeQuest website constitutes an offer to sell, or a solicitation of an offer to buy, securities or other regulated financial instruments, nor a guarantee of licensing rights, commercial success, investment return or future performance. Any regulated or contractual opportunity is subject to its own documentation, eligibility requirements, due diligence, approvals and applicable law.

External Links

ZeeQuest.com may contain links to websites or services operated by third parties. ZeeQuest does not control independent third-party websites and is not responsible for their content, availability, security or privacy practices. Links are provided for convenience or reference and do not automatically constitute endorsement.

Applicable Legal Documents

Use of ZeeQuest.com is also subject, where applicable, to the current ZeeQuest General Terms & Conditions, Privacy Policy / GDPR Notice and Cookie Policy. Individual ZeeQuest products, applications, programs, ventures or transactions may be governed by additional specific terms and notices. Where specific terms apply to a particular service or transaction, those specific terms govern that matter to the extent stated in them.
